Dear Indochina players, officials, supporters and sponsors.

On behalf of the Cambodian Eagles Football Club, it is our pleasure to welcome you to Siem Reap, and the upcoming annual Indochina Cup.

Located at the recently built [SRU Training Center](#), Siem Reap.

Siem Reap has several attractions to visit if you have the spare time to explore. There is the famous Angkor Wat temple, and a range of bars, restaurants and cafes to fit all tastes.

There is always something unexpected around the next corner to excite you in the “Kingdom of Wonder”

The Vietnam Swans are the current title holder, and will no doubt be looking to defend their title, but there is sure to be plenty of competition from the competing clubs, who all want to get their hands on that old urn and have bragging rights for the next year.

So welcome one and all to Siem Reap, enjoy your time here and let’s have a great tournament both on and off the field.

## THINGS YOU NEED TO KNOW

### **Visa Requirements**

To enter Cambodia you are required to obtain a visa and hold a current passport with at least six months validity. The Tourist Visa is available for up to 30 days.

Obtaining a Cambodian visa is a simple process, you can either apply online via the E-Visa portal (<https://www.evisa.gov.kh>), or upon your arrival at Siem Reap International Airport.

The cost of the visa on arrival is US\$30  
Evisa costs US\$36, this will save you a page on your passport.

### **Money**

Cambodia is a dual-currency country. Officially, the local currency is Khmer Riel (KHR), but USD is generally used for any transaction over \$1. The conversion rate with the USD is roughly KHR 4,000 to USD 1. If you pay in USD you will receive change in KHR.

If you choose to obtain USD before making the journey to Cambodia, it is suggested to ask for small bills (\$20 or smaller). It can prove difficult sometimes to break \$50 and \$100 bills.

When shopping or using Taxis or Tuk Tuks make sure you have small bills.

There are plenty of ATM's located throughout the city, which accept all major cards, and dispense USD or KHR.

### **Dress**

Cambodia is a pretty relaxed place in terms of dress. Try to avoid walking around public areas topless. When visiting religious and sacred sites you are required to be covered from shoulder to knee.

### **Transport**

The most common way to get around town is either a Tuk Tuk or taxis which you can hail on the street or book via either Grab or PassApp.

We would recommend Tuk Tuks as an easy means of transportation for short trips around the city.

The new Siem Reap International Airport is about an hour out of town by car. A taxi from the airport into town will be around 25-30 USD. 8 USD for a shuttle, which will take off as per the set schedule that can be found online.
